Sarah E. Jamieson, PA-C
NCCPA Certified
Physician Assistant

Welcome to Comprehensive Neurology and Sleep Medicine (CNSM). We are glad you have selected the CNSM Team and the Privia Medical Group, as we both are committed to providing quality patient services. Please feel free to reach out to one of our team members if there are any other questions or concerns with your upcoming appointment, as we will be happy to assist you.

Attached you will find our New Patient Packet. We **strongly encourage** all of our new patients to Pre-Register as it can reduce wait time. If you are already a patient under the Privia Medical Group with another provider, we do ask that you still complete our new patient packet. Our New Patient Packet has information that our providers need to help provide you with the best care for your sleep issue(s), not the patient portal registration.

Once you have completed all the paperwork, please send everything, directly to us by any of the following 3 methods. By replying directly to this encrypted email, via our secure fax number, 301-694-0657 or you can even drop it off at our Frederick Office, 5 days a week. By Pre-Registering, this also allows our team to make your status on our waitlist a HIGHER priority as everything is ready to go on our end.

Please make sure to bring the following items with you to your appointment.

- **Original Completed New Patient Packet regardless if emailed, faxed or dropped off**
- **A photo identification card**
- **Current medical insurance(s) card(s) and prescription card(s)**
- **Specialist Copay (if required by insurance) or your Care Coordination Card**
- **Referral (if required by insurance)**
- **Continuous Positive Airway Pressure (CPAP) machine (if you currently use one)**
- **Any Medical Records not previously sent to CNSM related to your sleep issues**

If you choose not to Pre-Register, we do request that you arrive at least 20-30 minutes prior to your appointment time with all the attached information completed and the above list items in hand as well.

Reminder our office requires at least 24 business hours for all reschedules and cancellations. Example, if your appointment is scheduled on a Monday at 9:00am, we need to know that Friday prior to 9:00am, or it would be considered a late cancellation. Sadly, if less than 24 business hours is given, this would incur a \$100.00 rescheduling fee, which must be collected in full at the time of rescheduling a new appointment time.

CNSM has 2 locations, one in Frederick, MD and one in Rockville, MD. The Frederick, MD office is our primary location and both providers work at this location which is at 172 Thomas Johnson Drive, Suite 100. Dr. Konrad Bakker treats patients on Tuesday's and Wednesday's only at the Rockville office, which is at 1901 Research Blvd, Suite 162. Directions and other useful information can be found on our website at MySleepDocs.com

If you have any questions or concerns, please contact the office at 301-694-0900 and a team member will gladly assist you.

Authorization and Consent to Treatment

Assignment of Benefits and Authorization to Release Medical Information

I hereby certify that the insurance information I have provided is accurate, complete and current and that I have no other insurance coverage. I assign my right to receive payment of authorized benefits under Medicare, Medicaid, and/or any of my insurance carriers to the provider or supplier of any services furnished to me by that provider or supplier. I authorize Privia to file an appeal on my behalf for any denial of payment and/or adverse benefit determination related to services and care provided. If my health insurance plan does not pay Privia directly, I agree to forward to Privia all health insurance payments which I receive for the services rendered by Privia and its health care providers. I authorize Privia or any holder of medical information about me or the patient named below to release to my health insurance plan such information needed to determine these benefits or the benefits payable for related services. I understand that if my insurance plan does not participate in the Privia network, or if I am a self-pay patient, this assignment of benefits may not apply.

Guarantee of Payment & Pre-Certification

In consideration of the services provided by Privia and its providers, I agree that I am responsible for all charges for services provided not covered by my health insurance plan or for which I am responsible for payment under my health insurance plan. I agree to pay all charges not covered by my health insurance plan or for which I am responsible for payment under my health insurance plan. I further agree that, to the extent permitted by law, I will reimburse Privia for all costs, expenses and attorney's fees incurred by Privia to collect those charges.

If my insurance has a pre-certification or authorization requirement, I understand that it is my responsibility to obtain authorization for services rendered according to the plan's provisions. I understand that my failure to do so may result in reduction or denial of benefit payments and that I will be responsible for all balances due.

Consent to Treatment

As a Privia patient, I voluntarily consent to the rendering of such care and treatment as Privia providers and personnel, in their professional judgment, deem necessary for my health and well-being.

If I request or initiate a telehealth visit (a "virtual visit"), I hereby consent to participate in such telehealth visit and its recording and I understand I may terminate such visit at any time.

My consent shall cover medical examinations and diagnostic testing (including testing for sexually transmitted infections and/or HIV, if separate consent is not required by law), including, but not limited to, minor surgical procedures (including suturing), cast application/removals and vaccine administration. My consent shall also cover the carrying out of the orders of my treating provider by care center staff. I acknowledge that neither my Privia provider nor any care center staff have made any guarantee or promise as to the results that may be obtained.

Consent to Call, Email & Text

I understand and agree that Privia may contact me using automated calls, emails and/or text messaging sent to my landline and/or mobile device. These communications may notify me of preventative care, test results, treatment recommendations, outstanding balances, or any other communications from Privia. I understand that I may opt-out of receiving such communications from Privia and its partners by notifying Privia at privacy@priviahealth.com, by informing my provider's staff or by visiting "My Profile" on my Privia Patient Portal.

HIPAA.

I understand that Privia's Privacy Notice is available at priviahealth.com/hipaa-privacy-notice and my care center's website and that I may request a paper copy at my care center's reception desk.

I hereby acknowledge that I have received Privia's Financial Policy and Privia's Notice of Privacy Practices. I agree to the terms of Privia's Financial Policy, the sharing of my information via HIE,* and consent to my treatment by Privia providers. This form and assignment of benefits applies and extends to subsequent visits and appointments with Privia providers.

Comprehensive Neurology and Sleep Medicine, P.A.

Konrad Bakker, MD

Sarah E. Jamieson, PA-C

We at Comprehensive Neurology and Sleep Medicine appreciate the opportunity to care for you. Below is a copy of our office policies. Please read and review these policies as they pertain to you.

MEDICATION REFILLS:

We request that you use the patient portal to request your prescription refill(s). If your portal request is received before 3:30pm, your refill be processed within 24 business hours. Otherwise you may leave a message on the refill prescription line [press 4]. Phone prescription refill requests will be processed within 1-3 business days. We generally provide enough medication to last between appointments, but if you run out of a medication before your next scheduled appointment, your medical condition needs to be re-assessed and a follow-up visit is in order.

MISSED APPOINTMENTS:

New patient visits are longer than any other type that we schedule. Due to the length of time reserved exclusively for you to complete the initial evaluation, we ask that you give us as much advanced notice as possible if you need to cancel or change your appointment. There is a minimum requirement of 24 business hours if you are unable to keep the appointment. If you must miss your first appointment without giving the 24 business hours' notice, you will be charged a \$100 no-show fee that must be paid **in full** before a new appointment can be scheduled.

For follow up visits a \$50 fee will apply when 24 business hours' notice is not given, or an appointment is missed. If you come unprepared for your visit, [for example, without a referral or copay if required by my insurance company], or after scheduled appointment time, a \$50 fee could also apply.

Appointments for home sleep studies tests also require a minimum of 24 business hour notice. Canceling or rescheduling without 24 business hours' notice will result in a charge of \$200.

COMPLETION OF FORMS:

We charge \$25 per page to complete forms for such things as FMLA, disability, life insurance, etc. All fees for completion of forms are to be paid in full prior to form completion.

PLEASE SIGN THAT YOU HAVE **READ AND UNDERSTAND THE ABOVE** POLICIES. If the above office policies are not met, I understand that I may be discharged from the practice.
